Order Lille at [ontexhealthcare.com.au](http://ontexhealthcare.com.au)

**OUR BRANDS HAVE GOT YOU COVERED**

**DISTRIBUTION**

iD, Lille and Kylie continence products are only available through distributors. VISIT [www.ontexhealthcare.com.au](http://www.ontexhealthcare.com.au)

**SUPPORTING HEALTHCARE PROFESSIONALS**

Through the TCI Ontex provides education packages endorsed by the ACN and attracts CPD points.

**PEFC** | The products' absorbent pad is made of 100% natural cellulose PEFC certified fibres, which promotes sustainable forest management\*.

**RECYCLED PACKAGING** | The plastic packaging is made from polyethylene, part of which has been recycled during the manufacturing process to limit consumption.

**MADE IN FRANCE** | We are proud to manufacture the majority of our continence products in France, at our Dourges (62) site, and in Belgium in Buggenhout\*\* at sites that are ISO14001-certified for their environmental management system.

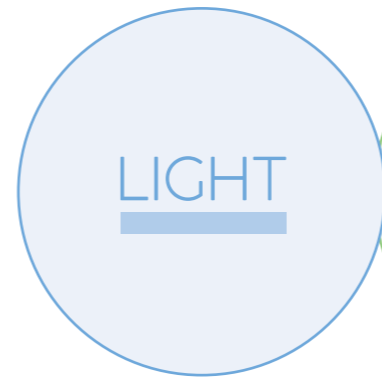

**GREEN ENERGY** | All the products in the Lille Healthcare range are made using green, or renewable, energy.

\*: [www.pefc.org](http://www.pefc.org)

\*\* : 98% of the products in the Lille Healthcare range are made in France and Belgium.

**SUPREM**  
light

**LIGHT**

Can you relate to:

"I have mild urinary loss. I sometimes experience leakage, a few drops particularly when I laugh or cough".

**MODERATE**

Can you relate to:

"I sometimes have bladder weakness and have occasionally had accidents because I don't make it to the bathroom in time".

**HEAVY**

Can you relate to:

"I always have trouble controlling my bladder. I make it to the toilet too late, and often have an accident at night".
