iD CLASSIC PANTS COMPLETE SKIN PROTECTION

iD Classic Pants are a range of unisex pull-up pants which offer complete skin protection. The Classic range of iD pants have fast absorption and instant dryness, are 100% breathable and contain natural ingredients that protects the integrity of the skin.

Approved by
dermatologists

Fast Absorption / Instant Dryness

The core pad with natural cellulose fibers and superabsorbent particles locks liquid, and the acquisition layer on top creates an extra barrier to keep the skin dry.

Your Benefit: During full time use, the skin is left instantly dry.

100% Breathable

The full product is made with breathable raw materials totally waterproof but which keep a fresh flow of air.

Your Benefit: It is soft, comfortable and safe for a sensitive zone.

Improved Top Sheet

The improved top sheet of the iD Pants protects and preserves the sensitive intimate skin through a new recipe with natural ingredients:

Camomille

Has a soothing and calming effect.

Vitamin E is known for its antioxidant properties.

Your Benefit: The top sheet is skin friendly for a sensitive zone. It reduces the risk of skin irritations.

PANTS PULL UPS

An extensive range of unisex pants ideal for ambulant people providing an ideal solution for managing moderate urinary incontinence.
