TOTAL CONTINENCE CARE SOLUTIONS

Ontex is a leading international manufacturer of personal hygiene solutions, with a special focus on innovation, technology and research programs.

Ontex is present in over 110 countries offering complete continence solutions with an unparalleled range of disposable continence wear, skincare products and the iconic Kylie brand of washable protection.

As a preferred MASS QLD product supplier, Ontex offers a range of market leading products developed to meet various client needs and provides a comprehensive range for light through to heavy requirements.

Ontex's range MASS QLD listed Continence Aids are exclusively available for purchase through our distribution partners Independence Australia, BrightSky Australia and CH2.

Our full range can also be found by visiting www.ontexhealthcare.com.au

How to prescribe & order Ontex MASS QLD listed continence aids

Submit your client's Continence Aids via the MASS-eApply continence online application. To assist with your application we recommend you order **FREE Samples** to trial with your client.

Order free samples online at www.ontexhealthcare.com.au

SELECTING THE RIGHT PRODUCT

LIGHT

"I have mild urinary loss. I sometimes experience leakage, a few drops particularly when I laugh or cough".

MODERATE

"I sometimes have bladder weakness and have occasionally had accidents because I don't make it to the bathroom in time".

HEAVY

"I always have trouble controlling my bladder. I make it to the toilet too late, and often have an accident at night".

PAEDIATRICS

Baby Care

From newborn to toddlers, Ontex are the only manufacturer of nappies in Australia.

Feminine Care

Ideal for women who want discreet protection.

Adult Care

Ideal for consumers with light to heavy incontinence.

Worldwide

Our quality, value for money products are distributed in more than 110 countries.

OUR BRANDS HAVE GOT YOU COVERED

SHAPED PADS LIGHTS

Ideal for active women who want discreet protection and need a higher absorbent product than a liner.

LSFE3171	Lille for Men Extra		650ml	14	168	Cotton Sensation Odour Control

iD CLASSIC PANTS COMPLETE SKIN PROTECTION

iD Classic Pants are a range of unisex pull-up pants which offer complete skin protection. The Classic range of iD pants have fast absorption and instant dryness, are 100% breathable and contain natural ingredients that protects the integrity of the skin.

Approved by dermatologists

Fast Absorption / Instant Dryness

The core pad with natural cellulose fibers and superabsorbent particles locks liquid, and the acquisition layer on top creates an extra barrier to keep the skin dry.

Your Benefit: During full time use, the skin is left instantly dry.

100% Breathable

The full product is made with breathable raw materials totally waterproof but which keep a fresh flow of air.

Your Benefit: It is soft, comfortable and safe for a sensitive zone.

Improved Top Sheet

The improved top sheet of the iD Pants protects and preserves the sensitive intimate skin through a new recipe with natural ingredients:

Camomille

Has a soothing and calming effect.

VITAMIN E

Vitamin E is known for its antioxidant properties.

Your Benefit: The top sheet is skin friendly for a sensitive zone. It reduces the risk of skin irritations.

FEEL SAFE AT NIGHT

The MAXI level of absorption, guarantees an overnight protection (up to 10 hours!) without any leakages or feeling of wetness. The ideal solution for a comfortable night sleep.

RESULT?

98% of the participants confirm skin integrity after wearing the product overnight.*

* Source: Consumer tests overnight on 100 people, in Portugal by "Sense Test" 09/2020

PANTS - PULL-UPS

An extensive range of unisex pants ideal for ambulant people providing an ideal solution for managing moderate urinary incontinence.
